7. **Old business**  
   There were no old business items to present.

8. **General Manager’s report**  
   Mr. Page provided the following updates:

   **Strategic Plan:**  
   The Strategic Plan has been finalized, incorporating Board comments, and placed at each of the Board Members’ seats.

   **Awards:**  
   Both the Quarles and Wyckoff Treatment Plants received Platinum Awards from the Georgia Association of Water Professionals for 100% compliance with all water quality, monitoring and reporting requirements during 2015. The Plants also received Certificates of Achievement for scoring above 90% on the large plant “Plant of the Year” award.

   **Southwest Connector Pipeline:**  
   - Progress is slow on traffic control requirements from Cobb DOT, which is increasing costs. It is possible that contractor Layne will request a change order for effects of the increased traffic control requirements and for being required to stop and start more than anticipated in the original project plan.
   - Staff is still waiting for the draft MOA from Cobb County on paving replacement and realigning the median for the Brumby Elementary School.

   **Highway 41 Tunnel Project:**  
   - The Tunnel Boring Machine (TBM) is currently moving very slowly, 1-2 feet per day, because of an unexpected void in the sub-surface that requires incremental grouting, setting, and boring.
   - Staff will present a proposed change order for this project in June. The amount of the anticipated change order is approximately $2.8M - $3M.
   - A scope modification for additional construction management and inspection effort by Atkins on this project will also be presented for Board consideration. The amount of this anticipated increase is approximately $150k - $200k.

   **Quarles Backup Power Project:**  
   - Staff will be meeting with Crowder Construction and Jacobs Engineering on May 19 to discuss delays completing the project and additional construction management costs associated with those delays.

   **Quarles Raw Water Pump Station Site Improvements:**  
   - Staff has delayed the bid opening of this project to May 31 to attract additional interest.
Wyckoff Filter Building Rehab and Electrical Improvements:
• The project is slightly behind schedule (6 days).

9. New business
   There were no new business items to present.

10. Executive Session
    There was no need for an Executive Session.

11. Legal
    Mr. Lee made a motion to approve an Encroachment Agreement between Cobb County-Marietta Water Authority and James L. Coxwell GMAC, Inc. (copy in file). Mr. Buyers seconded the motion; motion passed 7/0.

    The being no further business, the meeting was adjourned.
