10. Old Business

Mr. Page gave the following updates to items previously discussed:

The Hickory Log Creek Joint Project Agreement was taken off the April agenda of the City of Canton Council Meeting. EPD has been notified and replied that they will continue to await updated withdrawal permit applications following approval of the Agreement.

There has been no news from Paulding County regarding the proposed Water Supply Contract. Staff will attempt to meet again in late June.

The final environmental assessment of the 1190 Building did not identify any concerns other than drainage improvements that need to be made external to the building and the weep holes that need to be drilled into the brick. Staff is moving
forward to accomplish these items and will then proceed with improvements approved by the Board to accommodate staff.

11. General Manager’s report

Mr. Page provided the following updates to the published General Manager’s Report (copy in file):

Gina Moss was introduced as the summer intern in the Engineering Division. Ms. Moss will be working primarily supporting the construction project at the Quarles Plant.

Cobb County Water System received the highest ratings in the country for customer satisfaction by JD Power and Associates.

Concerns about per- and polyfluoroalkyl substances (PFAS) in drinking water sources have recently been the subject of news articles, and Congress has been holding hearings about these manmade substances. There are thousands of these compounds, which have been developed for human safety and convenience (fire retardance and non-stick surfaces, for example). They are accumulated in the human body, but no risks are known at this time. These substances have not been detected in CCMWA source water, but staff is following the Congressional hearings. There will likely be additional discussion of PFAS at the AWWA Conference in June.

12. New business

Mr. Buyers made a motion following the recommendation of the Personnel Committee to add an agenda item to recommend to the Board and approve an amendment to the General Manager’s Employee Agreement. Mr. Crowder seconded the motion; motion passed 7/0.

Mr. Balli made a motion following the recommendation of the Personnel Committee to approve an amendment to the General Manager’s Employee Agreement to provide that the Agreement may only be terminated for cause, to change the expiration date to December 31, 2022, and that the attorney for the Water Authority be authorized to draft approved changes to comply with this Motion and to replace the prior agreement. Mr. Buyers seconded the motion; motion passed 7/0.

13. Executive Session

Mr. Balli made a motion to go into Executive Session to discuss litigation. Mr. Crowder seconded the motion; motion passed 7/0.
Mr. Crowder made a motion to return to the Regular Meeting. Mr. Boyce seconded the motion; motion passed 7/0.

14. Legal

Mr. Boyce made a motion to add an agenda item to authorize the execution of a “stay agreement” in the case Cobb County-Marietta Water Authority v. U.S. Army Corps of Engineers, et al., 1:17-cv-0400-RWS. Mr. Balli seconded the motion; motion passed 7/0.

Mr. Balli made a motion to authorize the execution of a “stay agreement” in the case Cobb County-Marietta Water Authority v. U.S. Army Corps of Engineers, et al., 1:17-cv-0400-RWS, to allow the Corps to reconsider by March 2021 its storage accounting practices and policies at Allatoona Lake and to prepare a legal analysis setting forth the Corps’ official position on the specific issues and objections raised by Cobb County-Marietta Water Authority. Mr. Boyce seconded the motion; motion passed 7/0.
